

## Affirmative Topics

1) We use our experience, knowledge & views of others to inform & support our decisions.

How do you feel your exp & knowledge has helped you make decisions about whether to carry out an Ax?

What diff does it make when you have support from others? Tell me about an <sup>example</sup> ~~decision~~.

2) Using a holistic & open minded approach we keep the person at the centre of our decision.

How do you keep the person at the centre of the decs?

3) We selectively gather information & think analytically and creatively about possible options & alternatives to an assessment.

What creative alternatives to MHA Ax might you use?  
How do you select relevant information?

4) We balance risk & time in our decision.  
making to create opportunities.

How does risk impact upon your decisions?

How can you make positive use of time in your dec making?

Q's can face the past

Inwards - how did this affect you

Can face forward - imagine.

Can use Metaphor

use miracle ques

invite people to

tell stories

They are personal

Data Analysis - Themes.
