(1)

Date - dealing with awkward cross-

- border - found consensus in continental
① issues - live in Wiltshire but under Dorset GP
+ MHT.

Who is best to follow through? i.e. Dorset service
MHT with MHT who knew the person.

Service user focused → more personal up
relationships.

Started with not good intentions but MHT
declined in total Dorset. Healthier deal engage.

Negotiate plan, whether MHT later plan.
Negotiated down to TV.

- ② ① Bright experience + knowledge of possible
circumstances. That enabled negotiate down
TV. Butchery on personal @ with other
professionals + able plan - particularly with them
fully - using other professionals.

Expensive work with note + to users.

CPN - a bit of dissent - our study @ a little
evidence. - rightly room to manoeuvre &
to avoid admission

- ⑤ Board ideas, share opinions

- ③ Embedding + power - control +
least resistance + possible valued law.
Recognising that box between
care + control.

Using experience to refer to individual
circumstances + butchery @ in v. short
period of time.

Very intro - personal skills.
Knowing how reference

3 - Reunit MHA
image reforms
Necessity - new?
Reserved i.e. who is a best suited.

Wish 4 → - More energy
- No distractions - just being able
to concentrate
- Starts this line up !!! all reserves

Goal → Power MHA down
making at point of referral.

- * Experience + Knowledge.
 - * Being able change mind.
 - * Handle all of above
 - * slowing pace + clear of facts
